4. WOC(Without Compensation) represents those engaged to perform services on a regular or intermittent basis whose appointment does not provide for salary or wage payment.
5. Casual Employees are those hired informally "on the spot" for short intervals of time in connection with emergency work.
6. Persons on Leave Without Pay are those currently in a nonpay status for scheduled periods longer than 30 days (other than furlough by reduction in force).

1. Full-Time is the minimum number of hours constituting the official work week for a particular group or class of employees.
2. Part-Time employees are those regularly employed on a pre-arranged schedule, who work less than the minimum number of hours constituting the official work week.
3. Intermittent employees are those whose hours or days of work are not based on a pre-arranged schedule and those who are compensated only for the time when actually employed or for services actually rendered.
4. WOC(Without Compensation) represents those engaged to perform services on a regular or intermittent basis whose appointment does not provide for salary or wage payment.
5. Casual Employees are those hired informally "on the spot" for short intervals of time in connection with emergency work.
6. Persons on Leave Without Pay are those currently in a nonpay status for scheduled periods longer than 30 days (other than furlough by reduction in force).
7. Turnover Formula: Permanent full-time accessions or separations divided by the average number of permanent full-time employees for the period reported (the number of permanent full-time employees at the end of the past period plus the number of permanent full-time employees at the end of the period reported, divided by two.)
8. Washington, D. C., Metropolitan Area includes the District of Columbia; Alexandria City, Arlington and Fairfax Counties, Falls Church City, Virginia; and Montgomery and Prince Georges Counties, Maryland.

## SUMMARY OF GROUPS OF EMPLOYEES REGULARLY EXCLUDED FROM THE MONTHLY REPORTS

The number of casual employees will be reported from time to time when complete reports are received.
4. Personnel cooperating or collaborating with, but not appointed nor paid by the Department of Agriculture (included in this group are ASC County Committeemen and County employees other than Committeemen, Extension Agents, REA cooperatives, Civilian Public Service Assignees, Crop Reporters, etc.). The number of these persons will be reported annually, as soon as possible after June 30 of each year.

Full-time employment in the Department of Agriculture numbered 93,927 on September 30, 1967, as compared with 103,882 on June 30, 1967. Part-time and intermittent employment totaled 22,418 as compared with 17,989 on June 30, 1967.

Total paid employment on September 30, 1967, was 116,345, a decrease of 5,526 since June 30, 1967. This figure applies to total paid employment in the Department, including employees in Territories and Foreign Countries, and part-time workers as well as those regularly employed.

The largest decreases in employment occurred in Agricultural Research Service, Forest Service, Soil Conservation Service, and Statistical Reporting Service, and are due to the termination of seasonal employment and the return to school of employees hired under Trainee or Youth Opportunity Programs. These decreases were partially offset by increases in Federal Crop Insurance Corporation and Consumer and Marketing Service. The increase in the Farmers Home Administration was due to the fact that more Committeemen performed service during the month.

## DEFINITIONS OF TERMS USED FOR REPORTING PURPOSES

Full-Time is the minimum number of hours constituting the official work week for a particular group or class of employees.

Part-Time employees are those regularly employed on a pre-arranged schedule, who work less than the minimum number of hours constituting the official work week.
